--	---

The Mary Bridge Mobile Immunization Clinic is a critical access clinic for children who are uninsured, underinsured, receive health insurance through Washington State Apple Health (Medicaid) or Washington Children's Health Insurance Program (CHIP), or who are American Indians/Alaskan Natives. We have limited appointment availability for privately insured patients.

DO I NEED AN APPOINTMENT?

YES: Appointments are needed if you want to visit our **Tacoma** and **Puyallup** clinics. We cannot accept walk-ins.

NO: If you visit one of the ***Community Events** listed above, you do not need an appointment. These events allow walk-ins.

What do I need to bring?

Please bring your child's vaccine records to all community events. If your child does not have records in the Washington State system, we may be unable to assist you.

Please call **253-403-1767** for more information or to make an appointment for our Tacoma and Puyallup Clinics.
